For pick up route 1 in the event that passenger numbers are such that only one bus is required passengers will be asked to transfer from one of the buses at South Mimms. In most cases this will mean passengers on Bus B transferring to Bus A, but there will be occasions when different arrangements apply. Therefore please be prepared to sit in a different place on another bus.

We will often provide a connecting bus for the return journey, but sometimes this will not be possible or practicable and our bus will follow routes 2 or 3 to drop off.
