## Application for Season tickets for Services 813, 823 and 833

This application form provides details of the school bus season tickets for the 2012 spring and summer terms. You have the option of buying a ticket for both terms now (**deduct £10** from the total cost giving a **£10 saving** over the cost of paying for each term separately); for one term or for half a term. The alternative is to pay cash fares each day. Season tickets offer savings against paying cash fares every day.

Full details of services 813, 823 and 833 are available in a separate leaflet obtainable from the School; on our school buses; on our website [www.sullivanbuses.com](http://www.sullivanbuses.com) and on the Intalink website [www.intalink.org.uk](http://www.intalink.org.uk).

Season tickets are valid on the relevant school bus route(s) between designated bus stops. Please ensure you check the name of the stop where you wish your child to board the bus in the morning. The name can be found on all bus stops along the line of route. Please remember that our buses will serve all bus stops on each route. If the stop is served by more than one route the ticket will be valid on both routes, subject to bus capacity. Please note that Sullivan Buses does not require a pupil's photo for a school bus season ticket application. However they should hold a Hertfordshire Saver Card if aged 11 and over.

Once you have completed this first purchase, you will be able to pay for any future renewals using on line banking.

**Calculating the cost of the season ticket** Fares and season tickets rates are based on those previously operated by Hertfordshire County Council for these routes. Season ticket costs are calculated on the CHILD SINGLE FARE for the required home to school journey. Please refer to the table below for the prices for the 2012 Spring and Summer terms and half terms:-
